ABOUT US

Since our inception, we have always looked at the world through a different lens. Where others saw possibilities, we identified opportunities.

Rajdhani Universal Fabrics Pvt. Ltd., based in Sangli, is a diversified business group with a strong presence in multiple sectors. Established in 2003, the company has earned a reputation as a leading manufacturer and exporter of a wide range of grey fabrics, processed and coated industrial fabrics, technical textiles, and made-ups.

Our commitment to excellence and innovation has enabled us to consistently deliver superior quality products at highly competitive prices, earning the trust and satisfaction of customers worldwide.

COMPANY OVERVIEW

OUR VISION

At Rajdhani Universal Fabrics, our vision is to become a leading enterprise known for consistently delivering customer delight through value-added, high-quality products across diversified industries. We strive to blend tradition with innovation, creating fabrics that stand out for their design, durability, and sustainability. By embracing modern technology, expanding into new markets, and upholding the highest standards of quality and service, we aim to build lasting relationships with our customers while contributing to a more responsible and forward-thinking textile industry.

OUR MISSION

To build enduring relationships with customers, suppliers, employees and peer groups by leveraging the very latest technology and providing high quality products and services, thereby creating a productive work culture while ensuring the betterment of society and the preservation of the environment.

OUR CULTURE

To create and maintain a challenging and competitive culture in the group. Our performance-driven culture and responsible approach are the foundations of our success. We encourage our employees to focus on achievement through passion and innovation.

OUR QUALITY POLICY

The Rajdhani Universal fabrics Pvt. Ltd. manufactures and supplies quality products by employing the best technology and manufacturing practices. Meeting and exceeding expectations of our valued customers has always been our prime focus. All above facilities are well supported by qualified professional peoples in its operations. With ongoing training program the production team is updated with the latest techniques of production and are also made familiar with the latest developments in the TEXTILE TRADE.
